Ready-for-Display (RFD) Mini-Pallets™

THE WAVE OF THE FUTURE

IT'S THE SAFEST

With its neutral pH & gentle plant-based formula free of 1,4-Dioxane, Caustics, Chlorine and Phosphates, WAVE® is guaranteed not to etch glasses and dishes.

TWICE AS EFFECTIVE COMPARED TO A LEADING BRAND

WAVE® has been tested by an independent consumer testing laboratory and has been evaluated as comparable in performance using half the amount to a top selling phosphate, chlorine bleach, caustic autodish detergent but without any of those harmful ingredients

SAVE on receiving and shelf labor!

New RFD Mini-Pallets™ can be shipped and received as one UPC, and trucked right into the aisles or end caps.
